

A Phi O To Build, Guard Rally Blaze

Inter-fraternity Council and Alpha Phi Omega service fraternity will build and guard the bonfire to be used in the bonfire rally Friday, Oct. 21, at 8 p.m., according to Marv Alkim, Homecoming Committee bonfire chairman.

Ken Grunhauser is chairman of the guarding committee, and John Tucker is chairman in charge of building the fire.

Last year's bonfire was burned prematurely by fifteen Stanford students. The bonfire was constructed three days before the rally and was guarded continually by San Jose State College and University of Santa Clara A Phi O members.

The SJS and Santa Clara guards held off 175 University of Santa Clara students the morning of the rally, but were foiled by the Stanford students two hours before the rally.

DAYLIGHT GUARDING
This year's bonfire will be built on the day of the bonfire rally. This will enable the guards to keep a check on the bonfire during the daylight hours.

The parade committee of the Homecoming Committee is issuing a plea for use of large, late model convertibles. If any student could loan his car for the parade Saturday, Oct. 22 at 5 p.m., he should contact Dick Yeager at CY7-9981. "No sports cars please," Yeager pleads.

The parade will be composed of 20 floats, about four marching units, four or five bands, the COP Pep Band and many cars, according to Jerry McCarthy, Homecoming Committee parade chairman.

COP-SJS Agreement Forbids 'Horseplay'

In an effort to save the student body unnecessary expense, Student Body President Don Hubbard reminds the SJS students of the Student Relations Pact with the College of the Pacific regarding pre-and-post-game activities.

The pact, signed in February, 1954, is designed to keep students from raiding the campus of the opposing school with mayhem in mind.

Specifically the pact forbids kidnapping, robbery, and the painting or defacing of property.

The school which violates the pact by defacing property at the opposing college will be forced to pay for the dirty work of its students.

Hubbard called on the students to "abide by the rules of the pact in order to continue friendly relations with the College of the Pacific."

Last year Pacific's Senate was forced to pay for the frolics of its students who raided Washington Square and left their signature in red paint.

Any money the Student Council would be forced to pay to repair damage would come out of the general fund and force the council to deny financial requests from campus organizations, according to Hubbard.

The pact also calls for exchange rallies to be held the week before the game. The Student Council of the home team is required to play host to the visiting school's governing body the night of the exchange rally.

In addition it calls for the home school to provide the visitors with after game social functions.

ETA Epsilon Meet

Eta Epsilon, home economics social society, will hold its initiation, Wednesday, Oct. 19 at 7 p.m. in Room H19.

Following the ceremony refreshments will be served.

All majors and minors in the Home Economics Department are invited to become members of Eta Epsilon.

The purpose of the society is to sponsor home economics activities, to unify the home economics group through social contacts, and to orient the freshmen in the department.

SCC Chapel Tomorrow

The Rev. Gerald M. Ford will speak on "This Above All," at the SCC Chapel service tomorrow at 9:30 a.m., according to Florence Hamblin, publicity chairman. The Rev. Ford is from the First Christian Church, 80 S. 5th St.

MISS BARBARA DALE was chosen homecoming queen at the Coronation Ball Saturday night, and will reign over homecoming activities throughout the week. Miss Dale was named queen over four other contestants in the race. —photo by Arreola

Barbara Dale, SJS Homecoming Queen Receives Crown at Coronation Ball

Homecoming activities got off to a spirited start at the Coronation Ball Saturday night with the crowning of Barbara Dale, a blonde 18-year-old sophomore, who will reign as homecoming queen throughout the week.

Joe Vallepari, homecoming chairman, announced to the crowd of approximately 3500 persons at the Civic Auditorium that Miss Dale had been chosen queen. Joan Dalton, last year's homecoming queen, put the little-too-large crown on Miss Dale, and Jack Tyler, Social Affairs Committee chairman, presented her with two dozen yellow roses.

The queen's attendants, the other finalists in the queen contest, included Robin Wurzburg, Judy Raubenheimer, Pat Lawless and Lori Triolo, and each of them was presented with a dozen white carnations.

Miss Dale was dressed in pink and seemed quiet and somewhat shocked during the ceremony. The coronation was followed by a Grand March of the seniors, led by Dean Stanley C. Benz, and the singing of "Hail Spartans, Hail" by the entire assembly.

Decorations for the Ball were centered around a large gold crown with red and white streamers. The queen's throne was centered above the bandstand, and was covered by a curtain before the coronation ceremony.

Miss Dale is a member of Kappa

Underwater Tube

OAKLAND (UP)—Construction of a second underwater tube between here and Alameda was a step closer today with agreement between the Navy and the state to exchange two parcels of East Bay land.

Frank Durkee, state director of public works, announced that California will give the Navy a strip of land to the north of the Alameda Naval Air Station.

In return, California will receive 4.3 acres of land on the west side of Webster St. between Tinker and Andrews avenue in Alameda, property now occupied by Navy storehouses.

The proposed new \$20,000,000 tunnel would be adjacent to the present Posey Tube.

Seniors To Plan After Rally Dance At Meeting Today

Don Abinante, senior class president, urges all seniors to attend the Senior Class Council meeting this afternoon at 3:30 o'clock in Room 126 of the Speech and Drama Building.

Plans for the class-sponsored dance after the COP rally, Oct. 21, will be the main item of business on the agenda. The dance will be held in the Women's Gym. The council will also consider sponsoring a dance after the SJS-Cal Poly game, Nov. 5.

Elections will be held to replace Joyce De Benedetti, senior representative to the student council, who resigned her position because she is student teaching.

JUNIORS PLAN FROM
The arrangement committee for the Junior Prom will be appointed at today's Junior Class meeting, according to Larry Conterno, president. This committee will look into the various sites around the county as possible prospects for location of their annual Junior Prom which is slated to be held in May.

Also on the agenda will be further reports on a number of bands that will be available for the dance. The class has not decided yet on a particular band.

The final plans for the after-game dance which is to be held Oct. 22, will also be completed. Conterno stated. For several weeks, the class has been preparing the activities which will be held in the Women's Gym after Homecoming. Special guests for the evening will include Dr. and Mrs. John T. Wahlquist, and Miss Helen Dimmick, dean of women. Refreshments consisting of cider and doughnuts will be served.

The need for more juniors to attend the class meetings is still urged, Conterno stated. "Although we had the largest crowd last Monday that we've had all semester, the work that we are undertaking needs each and everyone of you to make our year a success," Conterno said.

SOPHS TO DISCUSS MIXER

All sophomores will meet again today at 3:30 p.m. in Room 117 for their regular class meeting. Plans for the forthcoming Frosh-Soph Mixer as well as the "Gorgeous Gams" Contest will be discussed.

Cochairmen for the contest are Don Ryan and Pat Parish. All interested sophomores may inquire about committee positions at the meeting.

"Gorgeous Gams" is designed to discover the most "gorgeous" girls in the male portion of the student body and the co-chairmen once again urge all living groups to start thinking about who they would like to sponsor as a contestant.

The date for the class-sponsored mixer is Nov. 8 and the contest is set for Nov. 14. Chairmen for the contest committees are Claudette Marquie, invitations; Mauro Valcazar, rules and regulations; Cathy Westerman, publicity; Jim Carter, booths.

Committee chairmen for the various Frosh-Soph Mixer committees will report on the progress of entertainment, food, games, rules and all the other committees.

FROSH SPONSOR DANCE

Plans for the forthcoming Sadie Hawkins dance scheduled for Dec. 2, will be discussed at the Freshman Class meeting today at 3:30 p.m. in Morris Dailey Auditorium, according to Ernie Castro, president.

Sign-up for dance committees will take place, and all freshmen are urged to be present as dance preparations must start immediately.

Entertainment for the Frosh-Soph Mixer on Nov. 8 will also be discussed.

Club Plays Host To Other Chapters

The San Jose State chapter of Newman Club played host to other chapters from California and Nevada as the Central Pacific Province Leadership Conference met here this week-end. It was the first time the locals had sponsored such an event, according to Father John S. Durvey, adviser.

The conference was open largely to students who might be prospective officers in Newman Clubs and to other interested students.

Among the things discussed at the conference were: "Purposes of Newman Club Movements," "Qualities of a Good Leader," "Structure and Programs of Newman Clubs," "National and Province Level Newman Club," "Membership and Integration of Members" and "How to Present the Christian Ideal."

The latter topic was spoke upon by Father Durvey. Jack Duke, of Sacramento State, was Province President and Edie Tomasello, of SJS, was Province Secretary.

SJS Expects Increase To Reach 700 Next Fall

An expected enrollment increase of approximately 700 full-time-equivalent students is anticipated for next fall, college officials announced Friday.

Based on previous experience and statistics, it has been estimated that San Jose State will receive about 1600 entering freshmen, 1795 college and junior college transfers, 600 returning students who have been out of SJS for a semester or more and 5480 students who were enrolled at State during the previous semester.

ASB Campaigning Commences Today

The hectic week of campaigning before the ASB elections on Thursday and Friday started this morning at 8 o'clock, the earliest possible time designated last week by the Student Court.

The following are a list of rules from the Student Court, in regard to campaigning, which must be obeyed by all candidates throughout the week. Any candidate violating any of these rules will be prosecuted by the ASB attorney, Harrison Gibbs.

Campaign posters are permitted only along the walk between the science archway and Coop, and along the north side of the walk between the AWS lounge and the Industrial Arts Building.

All campaign signs must be within 20 feet of the designated concrete paths and shall not be displayed in a manner which shall involve trespassing on any buildings, roofs or arcades. Nails, tacks or wire may not be used on trees or shrubs.

All posters and signs must be removed by 6 p.m. the day of elections. Space for signs may not be reserved in advance.

Rallies in behalf of candidates may be held in any place acceptable to the college administration on any day except the day of election. They shall be of a 20 minute duration.

Board Discusses Plans for Revelries

Members of the Revelries Board met recently to discuss plans for the annual musical show that is written, directed, staged, and managed by students.

Bob Weiss told the board that this year's Revelries script should be ready for board approval before the Christmas holidays. Weiss also stated that prices for the show to be held from May 6 through 12 will be 75 cents for students and \$1.00 for general admission.

Since Revelries planning is in the preliminary stages, the board discussed methods of publicizing the show but made no decisions on what type of publicity to use.

Members of the Revelries Board also serve as members of the cast or production staff, according to Ted Balgooyen, faculty adviser for the board. Board members include Charles Bucaria, Barbara Fischer, Barney McCarthy, James Dunn, James Kason, Nancy Stephens, and Bob Weiss.

Cookies Go on Sale

Delta Phi Upsilon, kindergarten-primary education honorary, will hold a cookie sale tomorrow morning in the Outer Quad, from 10:30 to 12:30 o'clock. The cookies will sell for 10 cents a bag.

First Exchange Rally Planned Tonight With COP at Stockton Greek Theatre

Rally Committee's first exchange rally of the year will be held tomorrow evening on the College of the Pacific campus.

Songs, skits and a pack of laughs are promised by Jim Currutt, publicity director. Dick Yamashita, COP rally chairman, will be host to the Spartans in the outdoor Greek Theatre in Stockton.

Included in the cast are the song girls, cheer leaders and the

ASB Candidates!

Today is the last day that students running for offices in ASB elections may bring their platforms to the Spartan Daily for publication.

The Platforms will be printed in the election issue of the paper, which will be out Thursday, the opening day of elections.

The Spartan Daily office is located in J107, and is open from 1:30 to 4:30 p.m.

Art Department's Dr. Reitzel Suffers First Heart Attack

Dr. Marques E. Reitzel, head of the Art Department, suffered a heart attack Thursday while inspecting a new art building on the

DR. REITZEL

Has Heart Attack

UCLA campus. Dr. Reitzel was taken to the Cedars of Lebanon Hospital in Los Angeles where he is recovering.

According to Lowell C. Pratt of the Public Relations Office, Dr. and Mrs. Reitzel left for Los Angeles to visit Dr. and Mrs. Max Lippman of Los Angeles. Dr. Reitzel had been inspecting a new art building on the UCLA campus with Dr. Grant C. Burton, Executive Dean of San Jose State, and was driving away when he began to feel ill. He asked Dr. Burton to drive, and when he became worse, Dr. Burton drove him back to Dr. Lippman's office.

From Dr. Lippman's office Dr. Reitzel was taken to Cedars of Lebanon Hospital. Dr. Reitzel may not be moved for three or four weeks.

Mrs. Reitzel is staying with Dr. and Mrs. Lippman in Los Angeles during her husband's illness.

San Jose State may experience an increased enrollment during spring semester. Now that the college is on the semester system it will be able to accept many students who were graduated from high school, or transferred from another college at the end of the fall semester.

In previous years SJS has had a smaller enrollment during spring quarter than during fall quarter because it was not convenient for students to transfer from another college or to enter as freshmen in March.

As yet there has been no announcement as to how SJS will handle the increased enrollment next year. During the war years when the college had an overload of students classes were held in churches and other buildings around the campus.

Final registration of 4764 continuing students who were in attendance spring quarter fell slightly short of the 4806 predicted figure.

IFC To Send Ramp To National Meeting

The SJS Int. Fraternity Council agreed to send a representative to the National Inter-Fraternity Council meeting which is to be held in St. Louis, Mo., Dec. 2 and 3, according to IFC adviser Dean Robert Martin.

The IFC held its bi-monthly meeting Wednesday evening and they chose Henry Ramp, president of Theta Chi, to represent them at the NIC meeting.

The IFC meeting was the first of the year for the group. The group is the coordinating body of the fraternity system and works to bring harmony among the member houses and the administration. The fall president of IFC is Orville Butts.

Committee Puts Off Camp Appointees

Due to the lack of a full quorum of members the Freshmen Camp committee postponed the appointment of an assistant director and other committee chairmen for the 1955-56 session.

Paul Thompson, newly appointed director of the group, said that a new meeting time for the committee would be decided upon in the near future, as too many of the members were unable to attend the late afternoon session.

COP-Stanford Tickets

Tickets for the COP and Stanford football games may be picked up now in the Graduate Manager's Office. Deadline for picking up COP tickets is Wednesday 5 p.m.

This Week's Date Book

shows Dr. Vatcher and Chief Sigau posing in front of the latter's home in Lusitani, Cape Province, Union of South Africa. Chief Sigau is the leader of some 240,000 Pondoos.

EDITORIAL

Students' Right To Know ...

Feel like you're in the dark about certain things on campus? You're not the only ones.

Students at SJS appear to be in a rather peculiar position. Although they number some 9000 strong; although college is at this time one of, if not the most, important things in their lives, they are left in the dark about changes which definitely will affect them.

Take for example graduating seniors taking finals. This step has been under consideration for at least three years. When do the students hear about it? Friday. Another example: the change to the semester system, which was announced to a stunned student body early in 1954.

Why are these things told so long after the decisions are made or the planning far along? The administration, which makes the plans and decisions, does not seem to realize that the student body is interested.

Our complaint is not that the decisions are made—that is, of course, the business of the administration. But what of the students' right to know what is going on? To know those things which will directly affect them?

College students are not small children who stand meekly by and accept without question all things that come to pass. They are thinking people who, after graduation, will be expected to be informed citizens of their communities. Why now, when supposedly acquiring knowledge and training for this, must they be treated as they are?

It is our contention, then, that it is the students' right to know, just as it should continue to be their right after graduation from college.

Intellectualism for Daily

Dear Thurst and Parry:

Dear ASB 11063, et al, as an individual I cannot but admire your erstwhile desire to rise above your fellow countryman—to rise above the inane, the immature, the non-intellectual and the spiritless.

However, do you really feel, as a member of an esoteric minority group of pseudointellectuals, that our daily paper, and if I may be so inclusive, our quarterly magazine, should conform to the higher standards which you deem important in the development of higher education?

Few newsworthy events could be as inane as a war or a murder or a suicide; as immature as a congressional filibuster or the majority of our major strikes; as nonintellectual as a gossip.

These seem to be a major component in our larger newspapers. What then did you have in mind? I shall presume to answer this in a broad sense. You perhaps wish stronger editorials, some sort of intellectual conflict or debate on a slightly higher basis than this letter, more reports on current world affairs and possibly even some artistic aspects, perhaps poetry.

If this is your state of mind, then it is in general accordance with my own. However, this would require almost complete freedom of thought, and you will have to remember that the primary purpose

of this college is to train teachers.

If, on the other hand, you wish simply to strike up a spirit, antagonistic as it may be, from the ranks of the milling multitudes, then yours is indeed a soul-stirring and noble cause.

Yours 'til a sometime reawakening of the human mind over its materialistic captors.

Wallace B. Eshleman
ASB 10024

Three for the Soap Box

Dear Thurst and Parry:

I have these questions to ask:

1. If the Spartan Book Store is student owned and operated, where do we recognize the profits?

2. If we pay for food and medication at the Health Cottage, where do we benefit by our Health Cottage?

3. The article in your edition of Oct. 11 titled "Attention Girls" regarding a date bureau with an entrance fee brings to mind a question as to the caliber and quality of a girl who cannot meet men or date on her own. You are pushing the Stanford "filth" campaign as it is definitely not becoming to San Jose State College, either in school reputation or quality of our codes to print such an ad.

D.M.A.
ASB 8631

Meetings

Chapel Service will be held tomorrow morning at 9:30 o'clock in the Memorial Chapel. The Rev. Gerald Ford will speak on "This Above All." The service is open for all students and faculty members.

Christian Science Organization will meet tomorrow night in Room 129 of the Music Building at 7:30 o'clock.

Co-Ree will meet Wednesday night from 7:30-10 o'clock in the Women's Gym. All students will be admitted free of charge upon presentation of student body cards.

Deseret Club will meet tonight at 7:30 o'clock at 34 Cleaves St.

All students interested are invited to attend.

Billet will meet tonight at 8 o'clock in the Student Y. Refreshments and social dancing will be featured after the meeting.

Hui O Kamaaina will meet tonight at 7 o'clock in Room 107.

Senior Class will meet today in SD 126 at 3:30 p.m.

Spartan Chi Cabinet will meet tonight at 7:30 o'clock at 723 N. 4th St. Any other members interested may attend.

Spartan Spinners will meet tomorrow night in the basement of YWCA from 8-10 o'clock. All students and their friends are welcome.

LITTLE MAN ON CAMPUS

by Dick Bibler

"YOU LEARN TEACHING IN THE FIRST YEAR THEN YOU STUDY VOCATIONS THREE YEARS TO QUALIFY YOU FOR THAT EXTRA JOB TO MAKE A LIVING."

Don Hubbard's Life At State Remains Mystery to Many

By Jim Hushaw

Do you ever think that you just never have enough time to get everything done? Well, if you do, you ought to show a little sympathy for Student Body President Don Hubbard.

Hubbard probably has one of the most hectic schedules of any stu-

dent ever enrolled at San Jose State, and where he gets time to participate in his many activities remains a mystery to many.

Besides holding down the student body presidency, Hubbard serves as president of the Kappa Alpha fraternity, is a Lt. Col. and battalion commanding officer in the Army ROTC, a member of Silver Sabers, a former president of Eta Nu Pi, national honorary merchandising fraternity, a member of Tau Delta Phi and a member of the Blue Key, to name a few of his time-consuming activities.

The most time consuming of all, however, is his participation in cross-country and track. At the present time, Don holds the freshman two-mile record of 9:57.5, the school two-mile record of 9:32.1, the cross-country record of 22:37 for 4 1/2 miles and the 5000 meter record of 15:23.2, which he set as a sophomore in winning the Fresno Relays Race.

SETS TRACK RECORD

In the past Hubbard has been in Spartan Shields and was Male Representative at Large. As a Soph, Hubbard set the two-mile mark, which he lowered three times during the past track season to the present mark.

Hubbard came to San Jose from Watsonville High School, where he set the mile record of 4:35.4, but had a nonwinning time of 4:32. An interesting note, which may serve to inspire many freshmen, Don ran for an office as a sophomore in high school and defeated, and never ran again for a school office.

Another claim to fame for Don is the annual Turkey Trot. As a freshman, Don took third place and won a chicken, which he still has at his home in Watsonville.

NIX ON JINX

As a sophomore, Don set a handicap record of 15:28.6 in winning the event, and last year he set a scratch record of 15:40 as he copped the turkey for the second year in a row. A three year sweep has never been completed, and Don hopes that the jinx will not hold as he goes after his third turkey next month.

Hubbard, and a long time school chum, were lost in the Kings Canyon National Park in the western Sierras for three days this last summer.

CHASED BY BEAR

Don relates that his worst experience of his life time occurred during this adventure when they were chased by a bear for two hours and had to go without water for over 30 hours.

The fishing trip, which led to this adventure, covered some 140 miles, which served as a good conditioner for the coming cross-country season. Don and his friend were rescued by three drunken Indians, who drove them more than thirty miles to civilization. Hubbard reports that the three were thanked with a gallon of wine, which kept them in their happy mood.

This topped slightly his adventures on the streets of Tijuana, Mex., where he was chased through the streets by a maddened saloon owner.

INTERESTING IDEA

It would be interesting to see what Don could do if he would devote all his time to just one activity, instead of spreading his time to so many.

It is quite obvious that Hubbard would be a much better track man if he could spend all of his time on the track like many of his rivals from other schools.

Or it would be interesting to see how much more he could do for the school, his fraternity or for any other of his many activities if he could devote all his time to them. However this is only speculation and I think that the students are pleased that they have a leader that can do so much for them in so many ways.

SJS STUDENT Body President Don Hubbard and Student Council adviser Dr. Lowell Walter are shown discussing plans for the coming school year. Dr.

Walter, new to San Jose this year, was a counselor at Washington State the last three years.

photo by Steinreich

Dr. Lowell Walter Says SJS Students Self-Govern More Than Most Colleges

By Peter Meckel

The high caliber of students in government and awareness of Student Council members of attitudes of the student body as a whole are the two phases of student government at San Jose State College to impress Dr. Lowell Walter, new adviser to the council.

Dr. Walter took over the reins this year from Dr. Edward W. Clements as adviser to the Student Council and counselor in the student personnel office. A native midwesterner, Dr. Walter had been a counselor at Washington State College for three years prior to coming to San Jose State.

"Students at San Jose State have more say in their government than in most other colleges," said Dr. Walter. "They have more responsibility because they have shown they can handle it."

According to Dr. Walter, the duties of the adviser to Student Council are "those of a nonvoting member with no real say so."

He said, "The purpose of the adviser is to see to it that both faculty and student views are considered. He must also make sure all the facts are put on the table before a decision is made."

"The duty of the adviser is to advise and not to lay down the law of the faculty."

Dr. Walter reported he believed the function of student government was relative to each college. He pointed to the large size of San Jose State as a reason for the unusual amount of responsibility held by the council. Dr. Walter's main job is to act as personnel counselor for individual students. Students with problems of finance, change of objective, or withdrawal from school all come under the personnel heading.

San Jose State's personnel department compares very favorably with that of other colleges. Dr. Walter believes "San Jose State does a better job of trying to individualize the personnel services," he said.

First Ski Club Meeting Brags Full House; Jerry Price Introduced as Year's Pexy

The Ski Club held its first meeting of the year, Thursday Oct. 11, with approximately 300 students attending.

This year's officers were introduced. Holding forth in the presidential spot is Jerry Price; Biff Buckaloo, vice president; Laurie Bauer, secretary; Dick Alcock,

treasurer; and Dick Olson as program chairman.

Mr. Dave Donaho of the art department was introduced as a new faculty adviser to aid Rocco Pisano, present adviser.

Plans for the skating trip to Berkeley, Oct. 25, were discussed. In order to attend interested students must purchase memberships in the Student Affairs Business Office, room 16. The price is \$3 for a year's membership, according to Pat Base.

Former SJS Artist In San Francisco

Seymour Locks is being presented in a one-man show of sculpture, drawings and prints at the East and West Gallery in San Francisco at 3108 Fillmore St., from Oct. 11 to Nov. 4.

Locks is a former art student at San Jose State College and is now a member of the faculty at San Francisco State College.

WITHIN CITY LIMITS

All student body and class dances, with the exception of the Senior Ball, must be held in the San Jose city area and within the limits of local transportation.

What young people are doing at General Electric

Young engineer pioneers in design and sales of new tiny transistors

The germanium transistor—some smaller than the eraser end of a pencil and able to operate on a few thousandths of a watt—is probably one of the most promising developments in the electronics field today. It opens the way to new midget radios, TV sets flat enough to hang on a wall and many other exciting possibilities.

One of the men who helped design and perfect these tiny transistors—and the man who is now head of sales for all General Electric germanium products—is James H. Sweeney, Manager—Marketing, Semiconductor Products Department.

Sweeney's Work Interesting, Vital

As early as 1943, Sweeney was head of a group that studied the design and possible uses of germanium products. He gained national recognition for his work in developing and introducing these products to other industries, and when a new Semiconductor Products Department was formed in 1953, Sweeney was a natural choice for the job of marketing these products.

25,000 College Graduates at General Electric

When Sweeney came to General Electric in 1941, he worked in many different departments until he finally found the work he wanted to do. Like Sweeney, each of the 25,000 college-graduate employees is given the chance to grow, to find the work he does best, and to realize his full potential. For General Electric has long believed this: When fresh young minds are given the freedom to make progress, everybody benefits—the individual, the company, the country.

JAMES H. SWEENEY joined G.E. in 1941 after graduating with a B.S. degree in E.E. from the University of Pennsylvania. During World War II he served four years with the Army.

Progress Is Our Most Important Product

GENERAL ELECTRIC

Golden Raiders Shutout Lobos, 14-0

Fourth Straight Victory For Unbeaten Spartans

San Jose State's Spartans were forced to go all out Saturday night in Albuquerque in turning back a stubborn University of New Mexico squad, 14-0.

The surprisingly strong Lobos were fired up for the Golden Raiders and stayed in contention for

nearly the entire contest. San Jose picked up its second and last touchdown with only one minute, 54 seconds left in the game.

The victory was the fourth straight for the Spartans and it established them as being the only major undefeated college on the West Coast so far this season. The shut out win was the third time this year that the Spartans have held their opponents scoreless, the only team crossing the San Jose goal line being Arizona State (Tempe).

Speedy Spartan quarterback Tony Teresa scored the only touchdown in the first half when he caught a New Mexico fumble in the air and sprinted 65 yards into the endzone. Key blocks by end Leon O'Neill and fullback Joe Elm set up Teresa's sensational run.

With the score only 7-0, New Mexico gave the Spartans a real scare midway in the fourth quarter. Lobo fullback Clark Manwarren recovered a lateral pass on the San Jose 24 yard line. But, San Jose guard Eli Gardner, who played a great defensive game, broke through to smear two New Mexico plays and the Spartans eventually took over on their own 20.

At this point San Jose began their best offensive effort of the game when they went 80 yards in nine plays for the final tally. It was here where the Spartans delayed passing attack began to open up. In the highlights of the march, Teresa passed 27 yards to end Mel Powell; end Chuck Alexander caught a Teresa pass for 11 yards; Stan Beasley picked up 12 yards on the ground; and finally Teresa hit Powell with a 20 yard pass for the TD.

Statistics of the game were fairly even. San Jose, ranked 10th nationally in rushing yardage prior to the Lobos game, were held to 115 yards on the ground by New Mexico's defense. The Lobos gained 112 yards in rushing. The Spartans gained 69 yards through the

FULLBACK DARREL CLEMENT, above, is a highly capable understudy to Joe Elm. Clement, a 20-year-old junior from Hayward, is an excellent punter and

a consistent ground gainer. Going into the New Mexico game he averaged 5.8 yards per carry in six attempts.

'Mural Football Schedule Lists 10 Games for Week

Intramural football games scheduled for this week are:

WEEKEND ROUNDUP

Spartan Harriers Trip Stanford 32-27

For the second straight year, San Jose State's cross country squad defeated Stanford as they opened their season Friday in Palo Alto. Score of the meet was 32-27.

The race was won by Ralph Love of Stanford who was clocked in 22:11 over the 4 1/4 mile course. Don Hubbard of San Jose finished second with a time of 22:47.

Results:
1—Ralph Love (S); 2—Don Hubbard (SJ); 3—Carlos Strong (S); 4—Don Berry (SJ); 5—Maurie Graves (S); 6—Wesley Stroud (SJ); 7—Bob Rush (SJ); 8—Walter Swarthout (SJ); 9—Duane Ludlow (SJ); and 10—Herb Stockman (SJ).

RAMBLER'S DEFEAT JV'S
The California Ramblers outlasted the Spartan junior varsity, 33-24, Friday night in Spartan Stadium.

San Jose got a quick 12-0 lead in the first period, but were unable to hold back the Bear attack. The Ramblers led 13-12 at the halftime. The Spartans first scored on a 20-yard pass play from Chris Pappas to end Loren Kuester. Later Dick Lloyd scored the game's second TD on a 27-yard reverse play. Pappas hit Bill Montero for a 65 yard scoring play in the third quarter and in the final period Lloyd again scored on a reverse play.

Pee Wees To Clash In Texas Milk Bowl

NEW YORK (UP)—Such post-season football spectacles as the Rose, Sugar, Orange and Cotton bowls had better get on the ball today or they're going to lose their standings to an extravaganza known as the Milk Bowl.

This is one late season event which is aptly named. It's between the finest pee-wee football teams of two nations—Texas and the United States.

Come Dec. 10 at San Antonio, Tex., the best team of youngsters between 10 and 15 years of age in the lone star state will play a team judged as the best in the other 47 states.

It will be staged, this seventh annual Milk Bowl game, in the shadow of the Alamo.

But on this one day at least, Davey Crockett will run a poor second to Davey O'Brien.

O'Brien, you'll recall, was a marksman in the true Crockett tradition when he rifled the ball for Texas Christian. And Davey O'Brien that is, is one of the referees for this truly significant game along with such gridiron heroes as Kyle Rote, Doak Walker and others of their fabled ilk.

Texas decides on its champion and then, naturally, puts its peewees up against the best that the entire remainder of the country has to offer. The opponent is decided by invitation, a survey of applications and, after a check of performances, a trip to Alamo Stadium for the chosen eleven.

Have Faith in DEW

CHICAGO, Oct. 14 (UP)—Are you suffering from nucleomophobia? Put your faith in DEW and forget about it.

Nucleomophobia and DEW are a couple of new words coined by the neologists.

Neologist is an old word for people who coin new words.

If you're still confused, nucleomophobia means fear of the atom bomb, and DEW is the designation for the distant early warning network of arctic radar outposts.

Foreign Service Job Interviews Slated Oct. 21; Examinations Scheduled Dec. 9

A foreign service officer's examination will be given on Dec. 9, for students interested in careers in the United States Foreign Service, according to Dr. Laird S. Swagert, professor of political science.

A representative from the Department of State will be on campus Oct. 21, to talk to interested students. Approximately 300 officers will be appointed from those successful in the written and subsequent oral examinations. "This is an abnormally high number," said Dr. Swagert.

An applicant for the foreign service officer examination must be at least 20 and under 31 years of age, an American citizen with citizenship status for at least 10 years and if married, must be married to an American citizen.

After successful completion of the written, oral and physical examinations prescribed by the Board of Examiners, candidates are appointed by the President, by and with the advice and consent of the Senate, as Foreign Service officers, class six. Newly appointed officers normally will be assigned to positions in Washington before going overseas.

Foreign Service officers are ex-

pected to progress through the grades, and a "promotion-up or selection-out" system automatically retires officers who fail to win promotion within a stipulated number of years.

Application blanks can be found on the upstairs bulletin board in Building N, Apt. 4. Blanks will tell where applications should be sent.

Rev. M. A. Thomas To Speak in SJS Chapel Tomorrow

The Rev. M. A. Thomas of Mar Thoma Syrian Church of South India will speak on an "Encounter with Revolution" in the San Jose State Chapel at 7:30 p.m. tomorrow.

Barbara Heisler, president of the Student Christian Council, sponsor for the event, said, "Those who have heard him speak or have conversed with him, say that to share this company is truly a rewarding experience no one should miss."

After the Rev. Thomas speaks, there will be a reception in the Student Y, where refreshments will be served.

The Rev. Thomas is in the

United States as overseas secretary for the 17th Quadrennial Conference to be held Dec. 27 through Jan. 1, at Ohio University in Athens, Ohio.

La Torre on Sale Today, Tomorrow

Graduating seniors still can sign up for pictures in the La Torre office, Room J9.

Engineering and mathematics majors must sign up by Oct. 17. Fine Arts majors must sign up by Oct. 18.

Students and teachers may purchase their La Torre today and tomorrow in the Outer Quad. The full price is \$6 or a down payment of \$4 may be paid.

Pile Driver Noise Stops; Science Dept. Is Happy

"Much rejoicing has taken place in the SJS Science Department now that the pile-driver is gone."

We're happy that the noise is over for at least a while, and that the job is done. I hope that the foundation work will soon begin and that the workers can get ahead of schedule," reported Dr. Carl A. Duncan, head of the Science Division.

The noise and vibrations in the Science Building have been great, stated Dr. Duncan, but now the instructors can get back to normal and finally teach a class without the interruption of the noise made from the pile-driver.

Student Y To Hold Final Newcomer Firesides

The Student Y will hold their final Newcomer Firesides tonight in the homes of Dr. and Mrs. Rocco Pisano and another faculty member yet to be announced, according to Diane Suhr, publicity chairman.

The Firesides are to get students acquainted. They are presented to attract newcomers, but anyone may attend, according to the Rev. Jim Martin, executive secretary of the Student Y.

Successful 'Hour'

"The Pi Omega Pi sponsored coffee hour for business education majors and business faculty was a huge success," stated Mrs. Pat Wickstrom, president of the national honorary business education fraternity.

The "get acquainted" coffee hour, held Wednesday afternoon, was enjoyed by about 90 students and faculty members, according to Mrs. Wickstrom. A similar "get acquainted" function is being planned for sometime in December.

Nurse Group To Meet

An organizational meeting for the new Student Nurse Assn. will be held today at 7 p.m. in B74, according to Miss Grace Staple, head of the Nursing Department. All nursing majors are urged to attend this meeting.

Students Must Re-Sign

Pictures for La Torre were scheduled for Nov. 11, but as this day is a holiday, the students who are scheduled for Nov. 11 will have to sign up again in the La Torre office for another date.

Those students are: Ben Pierce, Lou Gambello, Jerry W. Ledin, Betty Anderson, Marna Saufnau, Bonnie Somes, Ellen Eskert, Anthony Pereira Jr., Mary Childrey, Bill Beasley, Geraldine Sams and Corwin Barfield.

Library Fraternity Ceremony Initiates 15 New Members

Alpha Beta Alpha, undergraduate library professional fraternity, initiated 15 new members in ceremonies Oct. 5, in Room 211 of the Library. Marilyn Markert, president and Mary Anne Simas, secretary, conducted the ceremonies.

Those who were initiated were, Geraldine Sweet, Pat Palmer, Annette Felix, Bianca Detert, Lucille Armour, Lee Richards and Dorothy Sinclair.

Betty Nant, Nancy Smith, Cordelia Lee, Arlene Bocchello, Thelma Strawhorn, Elizabeth Badger, Martha Fish and Lynnea Berthelson.

At present, the members of Alpha Beta Alpha are planning their duties for the California Library Assn. convention to be held in San Jose the week of Nov. 25. Members of the organization will act as junior hostesses.

Home Economics Graduates Make Good; Carol Renz, Pat Thomas, Flora Burnham

Four San Jose State graduates who majored in nutrition and dietetics now have excellent positions, according to Dr. Clara Darby of the Home Economics Department.

Diana Elwell, who completed her internship in dietetics at the University of Minnesota Hospital, is now employed as an assistant dietitian at Santa Clara County Hospital.

Flora Burnham, who majored in institutional management, completed her internship at Mills College in Oakland. She is presently employed as a dietitian for the Stouffer Restaurant in Cleveland, Ohio.

Mrs. Edgar Leaves For San Diego Meet

Mrs. Doris K. Edgar, director of teacher placement, will leave tomorrow morning to attend a meeting of the Western Institution Teacher Placement held in San Diego.

The meeting will be held in conjunction with the Superintendent of Schools annual meeting. Mrs. Edgar will try to learn how to iron out the many problems that occur in placing teachers and will try to get acquainted with several superintendents so she will be on a better level of understanding when filling teaching positions.

Baptist Church Lets Students Have Spot For Study, Leisure

The Baptist Church has made available a building for recreation, study and leisure at 3rd and San Antonio streets, it was announced Friday.

Among the facilities available are a large game room, three ping-pong tables, coke and candy machines, a piano and chess games.

The study off of the large recreation room, is modernly furnished and has magazines and books.

Any student is welcome and the building will be open from 9 a.m. to 5 p.m. Monday through Friday, it was announced. Kitchen facilities are available for special events.

Professor Duncan Talks Before Navy

Assistant Professor Donald G. Duncan of the Mathematics Department will deliver a lecture to employees at the China Lake Naval Ordnance Test Station on Wednesday, Oct. 19.

The head of the Assessment Branch of the Naval Ordnance Test Station, Dr. McVay, asked Dr. Duncan to present a paper entitled "Statistical Analysis of Drone Attrition Rates."

Dr. Duncan served as a consultant in mathematics at the Naval Ordnance Test Station at China Lake last summer.

Dr. Lawrence Palmer, Conservationist, To Discuss International Aspects of Field

Dr. E. Lawrence Palmer will speak on "The International Aspects of Conservation" at 8 p.m., Tuesday, Oct. 18 in the Concert Hall at San Jose State College.

Dr. Palmer, one of the nation's leading authorities in the fields of conservation and science education, is professor emeritus of science education at Cornell University, and since 1950 has been director of conservation education of the National Wildlife Federation.

In addition to being a writer, teacher and speaker on conservation, Dr. Palmer has been a member of the National Council, Boy Scouts of America since 1920.

He is the author of parts of the Boy Scout Handbook and merit badge pamphlets and was in charge of the conservation program at the International Jamboree in California in 1953. The same program at the 1957 Jamboree also will be under his direction.

Dr. Palmer was the first to receive a Fulbright teaching fellowship to New Zealand, and has represented American scientific organizations at international conferences.

Secretarial Group Plans for Initiation

Plans for fall initiation were discussed by members of Chi Sigma Epsilon, honorary secretarial organization, in a meeting held recently, according to June Baffunno, president.

Miss Baffunno commented that a party will be held for those wishing to join the organization. Members will be chosen from those that are present at the party and can qualify academically.

Officers of Chi Sigma Epsilon are June Baffunno, president; Pat Wickstrom, vice-president; Natalie Sosnick, treasurer; Thelma Radding, recording secretary; Joann Donahue, corresponding secretary.
